**5 minutes**      **Welcome and Review of Agenda**

**15 minutes**      **Introduction to the Inventory**

Jimmy Kagan will provide an update on the status of development of the land sector inventory.

**30 minutes**      **Land Sector Practices and Metrics – Update**

- Draft concepts from Ag and Forestry Subcommittees shared with technical team leads for consideration
- Decision point – With additional fine tuning/discussion by the Ag and Forestry Subcommittees and the SAC as a whole, do SAC members want to submit (for the final report):
  - a. The technical teams document as a foundation, with suggested edits and content (similar to what was discussed during the April meeting)
  - b. A distinctly separate document that does not use the technical teams document as a foundation, but instead, is primarily a list of recommended practices and metrics?
- Complete Doodle poll during the meeting to convene the Ag and Forestry Subcommittees
- Update on discussions with and written comments from reviewers SAC members and facilitators recommended to engage to review and comment on practices and metrics

**35 minutes**      **Community Impact Metrics Framework**

A draft community impact metrics framework for Oregon will be presented and discussed.

**5 minutes**      **Key Next Steps**
